Cincinnati

The New Seekers

I like all the boys and the girls that come to play
I-I like eating birthday cake's and party everyday
I like all the boys and the girls that come to play
I-I like eating birthday cake's and party everyday
I'm choppin' it up on the way to the bathroom
Ch-choppin' ut up on the way to the ba-bath
Ch-choppin' it up on the way to the bathroom
Ch-choppin' it up on the way to the ba-bath
Cincinnati comin' back
Cincinnati comin' back
Cincinnati comin' back
Come baby come uh
Cincinnati comin' back
Cincinnati comin' back
Cincinnati comin' back
Come baby come uh
Some famous wanker walked up to me
He says do you like publicity
So I spit my tea up in his face
Get your bloody hands off my birthday cake
I dont know what you came here to do
I'm waiting in the q tryin' to get to the u
So I can chop it up on the 1's and 2's
1's and 2's
1's and 2's
I'm choppin' it up on the way to the bathroom
Ch-choppin' ut up on the way to the ba-bath
Ch-choppin' it up on the way to the bathroom
Ch-choppin' it up on the way to the ba-bath
Cincinnati comin' back

Cincinnati comin' back
Cincinnati comin' back
Come baby come uh
Cincinnati comin' back
Cincinnati comin' back
Cincinnati comin' back
Come baby come uh
Choppin' it up

Choppin' it up
Choppin' it up
Choppin' it up
I like all the boys and the girls that come to play
I like all the boys and the girls that come to play
I like all the boys and the girls that come to play
I like all the boys and the girls that come to play
Cincinnati comin' back
Cincinnati comin' back
Cincinnati comin' back
Come baby come uh
Cincinnati comin' back
Cincinnati comin' back
Cincinnati comin' back
Come baby come uh
Cincinnati comin' back
Cincinnati comin' back
Cincinnati comin' back
Come baby come uh
Cincinnati comin' back
Cincinnati comin' back
Cincinnati comin' back
Come baby come uh
