Wake

Ryan Gosling

That look that lasts a bit too long it's gone
That touch that burns a bit too strong it's gone
Oh noI think I recognize the song and
Oh no
I think I know just what is wrongWake me up when the sad part ends
Wake me up when we were just friends
Wake me up when the hard part's over
Wake me up when my cup ain't running over
BabeThat dance that dances out of time
It's sad to say it's mine
That song that sings without a rhyme
It's mineOh no
I think I recognize the song and
Oh no
I think I know just what is wrongWake me up when the sad part ends
Wake me up when we were just friends
Wake me up when the hard part's over
Wake me up when my cup ain't running over
Babe
