Elise the Brazilian

Si Cranstoun

Thereâ€™s a girl I know
From Rio de Janiero
From Copacabana she came
â€˜Cause I feel something is stirring us like
wapvana marina
Something is rolling across where manov was lost
Golden tit! She weeps of fascination,
Darkness has to lift and fade, for Iâ€™ve been saved.

Elise the Brazilian,
Electrifies the night.
Oh, oh yeahâ€¦
Elise the Brazilian,
One pause the stars ignite.
Yes, I want to tell you,
Beauty has a rose happen
In Elise the Brazilian.

Something is winding its way from over the ocean,
Something inside I can feel is starting to heal.
Beautiful, she raises my emotions.
Wonders that I canâ€™t explain,
And sheâ€™s to blame.

Elise the Brazilian,
Electrifies the night.
Oh, oh yeahâ€¦
Elise the Brazilian,
One pause the stars ignite.
Oohhh, yeah
Beauty has a rose happen,
In Elise the Brazilian.

[instrumental]

Elise the Brazilian,
Electrifies the night.
Oh, oh yeahâ€¦
Elise the Brazilian,
One pause the stars ignite.

Oh my darlinâ€™, darlinâ€™ girl!
Beauty has a rose happen
In Elise the Brazilian.

I want to shout to everybody,
That beauty has a rose happen
Yeahâ€™in Elise the Brazilian.

[cha, cha, cha]
