Unconditional

Joey Youngman

Unconditional, unconditional
Unconditional, unconditional
Who else would let someone nail them to a cross
For the sake of others so they would not be lost
No one, no one will go that far for us
Who else would let someone get away with so much wrong
But still extend them grace
No one, no one have so much love for us
The kind of love He shows is unconditional
His love don't come and go it's unconditional
Who else but Him, He's a constant friend
Even when others turn their backs against
No one, oh no one is always there for us
So what kind of love
The kind of love He shows is unconditional
His love don't come and go it's unconditional
The kind of love He shows is unconditional
His love don't come and go it's unconditional
So even when your closest friends and family give up on you
There's not a day when you can't depend on Him
The kind of love He shows is unconditional
His love don't come and go it's unconditional
The kind of love He shows is unconditional
His love don't come and go it's unconditional
The kind of love He shows is unconditional
His love don't come and go it's unconditional
