

Unconditional

Joey Youngman

Unconditional, unconditional
Unconditional, unconditional
Who else would let someone nail them to a cross
For the sake of others so they would not be lost
 No one, no one will go that far for us
Who else would let someone get away with so much wrong
 But still extend them grace
 No one, no one have so much love for us
 The kind of love He shows is unconditional
 His love don't come and go it's unconditional
 Who else but Him, He's a constant friend
 Even when others turn their backs against
 No one, oh no one is always there for us
 So what kind of love
 The kind of love He shows is unconditional
 His love don't come and go it's unconditional
 The kind of love He shows is unconditional
 His love don't come and go it's unconditional
So even when your closest friends and family give up on you
 There's not a day when you can't depend on Him
 The kind of love He shows is unconditional
 His love don't come and go it's unconditional
 The kind of love He shows is unconditional
 His love don't come and go it's unconditional
 The kind of love He shows is unconditional
 His love don't come and go it's unconditional
