

Mack Minister (feat. Mac Minister)

E-40

I'd like to thank the Mack God for all tha playa prophets that he sent
I'd like to thank him for Donald Going and Iceberg Slim
For dottin their I's and crossin their T's, poppin their P's
And flexin their G'sI'd like to thank the Mack God for all the playa prophets that he sent
Before me and 40 Water
For the Mack I chose 40 Water
To come into the world and change and rearrange
To lace the suckers and the anti playaHe came in the middle of the Atlantic Ocean
On the glad sandwich bag and floated ashore
And as soon as he hit the shore, he balanced the game
He said that nine-tenths of his law was possessionAnd that nine-tenths of his game was position
And that everything was done on the approach
The Mack God said that he would send an extraordinary one
On the side of 40 Water and he won't just be a playa
He will be an extraordinary playaNow we gonna turn the Mack book from page 211 to chapter 187
And it talks about how they had a kangaroo court for the playas
And how dem suckas is out there with trumped up charged on E-40
Well, if you wanna judge the 40 Water, bring him before 12 G's
And open his filesAnd you will see that he has been true with a capital T
Since he was knee high to a grasshopper
That the Mack God said that in the year 1555
That there was a great explosionAnd some of the playas inhaled some fumes
Pertaining additives, preservatives and artificial flavors
The mack god refers to them as suckasAnd he said that he would send one that would come from one
That was despised and rejected
And that he would send this extraordinary one in the world
And when he come, he would come with ten commandments
And the commandments would beThou shall not snitch
Thou shall not infiltrate
Thou shall not perpetrate
Thou shall not playa hate
Thou shall not hold trustThou shall not hold say
Thou shall not pay a trick
Thou shall not disrespect the game
Thou shall not be broke
And thou shall not be without their thangThe Mack God said that just because you meet a hoe
And she wears a jersey that say, 'Champion' and eat a bowl of wheaties
Don't make her a winnerWill she sell her hips, her lips and her fingertips?
Will you tear down doors and knock out CO's?

Can you go the distance?
Will you be the one with the checkered flag in your hand?
Yeah, 'cuz I will be the winner
