Miss Your Plane

Keke Wyatt

Just picture I met you at baggage claim
I can't believe that you are leaving me again
Just when I started to think that you are really here with me
Time to pack for long distance
Out of block how does it go doesn't help me much

My soul out of touch
Why can't you stay, extended trip just for one more day
I know is messed up for me to say
The storm keeps you here let it rain
Some reason till you came baby

I hold you miss your name
Pray that there is traffic when you are on your way
Every green light on the street turns to red
Baby I hope you'll miss your plane
Your suitcase is ? you are ready to go

I use my body like a ? just to think you can go
We start to make love you, a reason to be late
Out of block how does it go doesn't help me much
My soul out of touch
Why can't you stay, extended trip just for one more day

I know is messed up for me to say
The storm keeps you here let it rain
Some reason till you came baby
I hope you'll miss your plane
Pray that your pilot don't show up today

And for some reason, something to land
Baby I hope you'll miss your plane
I will never wish you bad baby
But I hope everything goes wrong today
Gets you back here, so you could be here with me

It's hard for em to see you leave
At the end of the day I just want you to stay
Pray that your pilot don't show up today
And for some reason, something to land

Baby I hope you'll miss your plane

The storm keeps you here let it rain
Some reason till you came baby
I hope you'll miss your plane
