

On My Knees

[Nicole C. Mullen](#)

There are days when I feel
The best of me is ready to begin
Then they're days when I feel
I'm letting go and soaring on the wind
But I've learned in laughter or in pain
How to survive I get on my knees, I get on my knees
And there I am before the love that changes me
See, I don't know how but there's power
In the blue sky, I don't know how but there's power
In the midnight, I don't know how but there's power
When I'm on my, my knees I get on my knees, I get on my knees
And there I am before the love that changes me
I don't know how but there's power
I don't know how but God gives me power
I don't know how but there's power
When I'm on my, my knees Everytime I beg, everytime
Thank you mama, thank you grandpa
Teaching me to stay on my knees
Yeah, yeah, 'cause everytime, everytime
That's why You talk to me, that's why You walk with me
You tell me I'm Your own when I'm on my knees
When I'm on my knees, yeah everytime
