

NO MEDICATION

OBLIVION DUST

Enter with the minus
I exsist just to fuck you in my brain
 Better to be vacant
All you've known can be easily thrown away
 Good times
 Good times
 Good liesCrash out and I'm speeding
 Day for comas only just began
 Get back don't fit in now
Being a band is a fucking waste of time
 Good times (fucking waste of time)
 Good times (fucking waste of time)
 Good liesNo
 I got no medication
 No
 I got no medicationNo
 I got no medication
 No
I got no medicationDay for comas
 Day for comas
