finland

[unknown]

Finland, Finland, Finland
The country where I want to be
Pony trekking or camping
Or just watching TV
Finland, Finland, Finland
It's the country for meYou're so near to Russia
So far from Japan
Quite a long way from Cairo
Lots of miles from VietnamFinland, Finland, Finland
The country where I want to be
Eating breakfast or dinner
Or snack lunch in the hall
Finland, Finland, Finland
Finland has it allYou're so sadly neglected
And often ignored
A poor second to Belgium
When going abroadFinland, Finland, Finland
The country where I quite want to be
Your mountains so lofty
Your treetops so tall
Finland, Finland, Finland
Finland has it allOh focus on Finland friendsFinland, Finland, Finland
The country where I quite want to be
Your mountains so lofty
Your treetops so tall
Finland, Finland, Finland
Finland has it all, Finland has it all
