

Rainbow To The Stars (Theo Gobensen Bootleg)

Dune

Rainbow to the stars....
Rainbow to the stars....
Ride a rainbow to the stars
Keep the faith right in your heart
If you let your dreams come true
Then happiness will follow youLife is just a game we play
Happiness is here to stay
If you want to win this race
There's someone who can take your placeRide a rainbow to the stars
Keep the faith right in your heart
If you let your dreams come true
Then happiness will follow youRainbow to the stars....
Ride a rainbow to the stars
Keep the faith right in your heart
If you let your dreams come true
Then happiness will follow youLife is just a game we play
Happiness is here to stay
If you want to win this race
There's someone who can take your placeRide a rainbow to the stars
Keep the faith right in your heart
If you let your dreams come true
Then happiness will follow youRainbow to the stars [Repeat: x 3]
