

# Be Where You Are

## Trey Songz

Hey, oh,  
High heels on,  
Hair did,  
Can't no other woman rock a dress like this,  
Body bangs,  
glitter thangs,  
She the only reason for the song I sing,  
And I wish I could be there,  
When she get ready to go  
Dancing in the mirror and talking on the phone,  
Telling all her home girls,  
What she putting on,  
They already know she putting on,  
Cause when she hit the club,  
Heads turn around,  
She living it up,  
Drinkz up in the club,  
I'm in love from afar,  
Baby girl I wanna be where you are,  
Where you are,  
Baby girl I wanna be where you are,  
Where you are,  
Girl I wanna be where you are,  
Should I make a move,  
Or should I fall back,  
Let you do what you do,  
See in you in the song,  
I ain't trying kill the groove,  
Know you turning down all them other dudes,  
But I,  
Ain't nothing like them, no  
Can't fight the feeling,  
Girl I wanna know about you, yeah,  
Baby don't you get me wrong, no,  
But I've been watching you so long,  
Cause when she hit the club,  
Heads turn around,  
She living it up,  
Drinks up in the club,

I'm in love from afar,  
Baby girl I wanna be where you are,  
Where you are,

Baby girl I wanna be where you are,  
Where you are,

Girl I wanna be where you are,  
Are you here from one of mii dreams,  
Cause I don't want to ruin this fantasy,  
To take the chance,

And you don't wanna be mine,  
But you gotta be in my heart,  
Girl I'm coming over to you,  
I'll put my pride to the side,  
But I wanna leave with all your love,  
I just wanna be here,

Where you are,  
Baby girl I wanna be where you are,  
Where you are,

Please don't deny me,  
Baby girl I wanna be where you are,  
Where you are,

Baby girl I wanna be where you are,  
Where you are,

Girl I wanna be where you are,  
Where you are,

Baby girl I wanna be where you are,  
Coz when she hit the club,

Heads turn around,

She living it up,

Drink up in the club,

I'm in love from afar,

Baby girl I wanna be where you are,  
Where you are,

Baby girl I wanna be where you are,  
Where you are,

Girl I wanna be where you are,  
I'll go where you go,

I want to be where you are,

Wherever you go,

Girl I'll go there,

I'll prepare,

I'll go, i want yo love

Baby I'll go,

That's all I think of.
