

Shirts And Gloves

Dashboard Confessional

When I'm back from the road then you're out on it
And I'm tired of the distance and I believe it's overrated And this phone tag game is endless
The novelty is wearing
I'm hoping time will pass without any assistance or convincing Road rules apply
There's so much action
You're getting busy I'll call your cellular phone to tell you TV night was lonely without you
And so am I, so am I It seems our day keeps falling on a leap year
So many high points on this last leg
I can't wait to recount them
It seems like nothing's happened until I've shared them with you The note that you had called says you're half a
day away
And you're heading home just in time for me, for me to leave Road rules apply
There's so much action
I'm getting busy So make sure that I'm up to date on TV night
I hate to miss out
I think I miss you most on Wednesdays and Saturdays It seems our day keeps falling on a leap year
