Soak It Up

Houses

I show you somebody new
and when we get home I'll be waiting in the attic for you
so soak it up
so soak it up
so soak it up
so soak it up
so soak it up
so when the sun starts rising and the city's awake
and the drugs are wearing off
we'll soak it up
we'll soak it up
and when the colors start fading on the videotape
and the light burns holes in our eyes
we'll soak it up
we'll soak it up
we'll soak it up
