

Cheaper Than Free

Stevie Nicks

What's cheaper than free?
You and me
What's better than alone?
Going home
What does money not buy?
You and I
What's not to feel
When love is real?
What's faster than a fast car?
A beating heart
What's deeper than a deep well?
The love into which I fell
More important than freedom?

Being needed
More exciting than high fashion?
High passion
What's brighter than a smile?
You, child, you, child
What's brighter than a smile?
You, child, you, child
You, child, you, child
What's warmer than a sun drenched land?
Your hand
Your hand
Your hand
