To Let Myself go (feat. Ane Brun)

The Avener

To let myself go
To let myself flow
Is the only way of beingThere's no use telling me
There's no use taking a step back
A step back for meA step back for meA step back for meTo let myself go
To let myself flow
Is the only way of being
There's no use telling me
There's no use taking a step back
A step back for meTo let myself go
To let myself flow
Is the only way of beingThere's no use telling me
There's no use taking a step back
A step back for meBack for meTo let myself go
To let myself flow
Is the only way of beingThere's no use telling me
There's no use taking a step back
A step back for me
To let myself go
To let myself flow
Is the only way of beingThere's no use telling me
There's no use taking a step back
A step back for me
