

Come on Get It

Lenny Kravitz

I know that you are mine
Come on
Come on get it
And I won't waste your time
Come on
Come on and get it
I feel like a canine
Come on
Come on and get it
Can I eat from your vine?
Come on
Come on and get it I'm in love with your love
And I'm comin' to get it
You know I can't turn it down
I've gotta jump in it
You know I can't feel the power
'Cause I'm high on the spirits
You know that I'm drunk for your love
And you know that I need it
Yeah
Come on and get it
Oh come on and get it
Go get it I want to drink your wine girl
Come on and get it
Can I go from behind, love it
Come on and get it
I will please through the night
Come on
Come on and get it
'Till you release your mind girl
Come on and get it I'm in love with your love
And I'm comin' to get it
You know I can't turn it down
I've gotta jump in it
You know I can't feel the power
'Cause I'm high on the spirit
You know that I'm drunk for your love
And you know that I need it
Yeah, yeah, yeah Come on and get it (Yeah, come on and get it) I'm in love with your love

And I'm comin' to get it
You know I can't turn it down
I've gotta jump in it
You know I can't feel the power
'Cause I'm high on the spirit
You know that I'm drunk for your love
And you know that I need it
Yeah, yeah Go and get it
Come on, come on get it
Come on girl come on and get
Come on and get it
Come on and get it
Come on and get it
Come on and get it
Come on and get it
