physical attraction

The Elektrocution

You say that you need my love
And you're wantin' my body, I don't mind
Baby all I've got is time
And I'm waiting to make you mineYou say you wanna stay the night
But you'll leave me tomorrow, I don't care
All of your moves are right
We can take it anywhereThis physical attraction
It's a chemical reaction
It's a physical attraction
It's a chemical reaction, yeahYou're trying hard to get away
But I can't seem to fight the way I feel
Even though you're not for real
Your touch is driving meCrazy and when you smile
It's just makin' me want you more and more
Baby won't you stay a while
It could be such a fantasyThis physical attraction
It's a chemical reaction
It's a physical attraction
Sweet satisfaction, yeahMaybe we were meant to be together
Even though we never met before
We got to move before the sun is rising
And you'll be walking slowly out the door
Out the doorYou're confusing me
'Cause I don't know if you want me
But I know that I want you
And it's not gonna be ashamed of
What are you gonna do?Well you say that you need my love
And you're wantin' my body, I don't mind
Baby all I've got is time
And I'm waiting to make you mineYou say you wanna stay the night
But you'll leave me tomorrow, I don't care
All of your moves are right
We can take it anywhereThis physical attraction
It's a chemical reaction
Ooh it's a physical attraction
Sweet satisfaction yeahMaybe we were meant to be together
Even though we never met before
We got to move before the sun is rising
And you'll be walking slowly out the door, out the doorPhysical attraction

It's a chemical reaction
Ooh it's a physical attraction
It's a chemical reaction yeahAttraction, reaction, so much satisfaction
Attraction, reaction, so much satisfaction
It's a physical, a physical, a physical attraction
A chemical, a chemical reactionA physical, a physical attraction
A chemical, a chemical reaction
A physical, a physical attraction
A chemical, a chemical reaction
