Baby, I donâ€™t know
Just why I love you so
Maybe itâ€™s just the way
That God made me this day

Baby, I donâ€™t know
Just why I love you so
Maybe itâ€™s just the way
That God made me this day

Honey, I gave you
And I feel for you
It wonâ€™t be too long till
Weâ€™re back as one again

Baby, I donâ€™t know
Just why I love you so
Maybe itâ€™s just the way
That God made me this day

Baby, I donâ€™t know
Just why I love you so
Maybe itâ€™s just the way
That God made me this day

Honey, I gave you
And I feel for you
It wonâ€™t be too long till
Weâ€™re back as one again
