

# On The Road Again

Deana Carter

Woah, all I want is on the road again  
Just can't wait to get on the road again  
The life I love is makin' music with my friends  
And I can't wait to get on the road again

On the road again  
Just can't wait to get on the road again  
The life I love is makin' music with my friends  
And I can't wait to get on the road again

On the road again  
Like a band of gypsies we go down the highway  
We're the best of friends  
Insisting that the world be runnin' our way

And our way is on the road again  
Just can't wait to get on the road again  
The life I love is makin' music for my friends  
And I can't wait to get on the road again

And on the road again  
Like a band of gypsies we go down the highway  
We're the best of friends  
Insisting that the world be runnin' our way

And our way is on the road again  
I can't wait to get on the road again  
The life I love is makin' music with my friends  
And I can't wait to get on the road again

I can't wait to get on the road again  
I can't wait to get on the road
