

# Won't Stop

## OneRepublic

Now I stared at you from across the room  
Until both my eyes were faded  
I was in a rush, I was out of luck  
Now I'm so glad I waited Well you were almost there, almost mine, yeah  
They say love ain't fair but I'm doing fine 'Cause I swear its you, I swear its you  
I swear its you that Ive waited for  
And I swear its you, I swear its you  
I swear its you that my heart beats for  
And it aint gonna stop, no it just wont stop Now you are fire by night but when the morning light comes  
Comfortable as rain on Sunday  
And Im a lucky soul that holds your hand so tight  
Hope you hear this one day  
Dont fool yourself this is my truth I swear its you, I swear its you  
I swear its you that I've waited for  
I swear its you, I swear its you  
I swear its you that my heart beats for  
And it aint gonna stop, it just wont stop You take this hand, you take this heart  
Stir my bones from a thousand miles apart  
It feels so cold without you like it's ten shades of winter  
And I need the sun And I swear its you, I swear it's you  
I swear it's you I waited for  
I swear its you, I swear it's you  
I swear its you that my heart beats for I swear its you, I swear its you  
I swear its you that Ive waited for  
I swear it's you, I swear it's you  
I swear its you that my heart beats for  
And it aint gonna stop, it just wont stop  
It just wont stop, it just won't stop no I swear its you, I swear its you, oh yeah
