for this switch for the good not for the worst

cause it takes more than you and me to say "everybody"

raise number one had it to number two

i know and you know what to do

10-9-8-7-6-5-4-3-2

Are you readyyyyyyy?!!?!!!!!!!!!!!!!!!!!!!!!!We all feel the pain

Is it necessary?

When we feel the pain

Better stick together

Music is the way

To releave the pressure

Music "on the way"
