Out of Control

Squeeze

I like schoolgirls and lollipops
White socks and lemon drops
Stack heels and knotted ties
Tight jeans and painted eyesGirls dressed in hockey gear
School days are always here
Yeah, I'm out of control
I'm out of controlAnd I don't mind saying
It's gonna be a good one tonight
I'm out of controlAnd I don't mind waiting
For what you call a bit of alright
I'm out of controlI like big girls and Spiderman
Deep water and Paris tan
Short skirts and lace-up flies
Long grass and starry nightsAll girls in navy blue
Here's what we think of you
Yeah, we're out of control
We're out of controlAnd I don't mind saying
It's gonna be a good one tonight
I'm out of controlAnd I don't mind waiting
For what you call a bit of alright
I'm out of controlI like blonde hair and sailor's tops
Fish tights and prison crops
Long tongues and docker's grips
Pony tails and sinking shipsSwim suits and judo gear
Look out the boys are here
Singing we're out of control
We're out of controlAnd I don't mind saying
It's gonna be a good one tonight
I'm out of controlAnd I don't mind waiting
For what you call a bit of alright
I'm out of control
