

Flight to Nowhere

Tesla

Look at me, I'm young and bold.
Even though I may be growin' old,
I'm never slowin' down.
No, I won't slow down.
I feel like dynamite, I'm ready to explode.
Amplifier pushin' overload.
Outta touch with reality
To the point of insanity, yeah. Goin' down on a flight to nowhere.
Goin' down, gettin' nowhere fast.
Goin' down, I'm on a flight to nowhere.
Goin' down, goin' down, goin' down. Opinion is a piece of mind.
Some are good, some are just like
Where the sun don't shine.
You know sometimes they can [stink] out loud, yeah.
Now, the more you look, the more you're gonna find.
More than enough to blow your mind.
It's such a mess, it's a cryin' shame.
And we've only got ourselves to blame. Goin' down on a flight to nowhere.
Goin' down, gettin' nowhere fast.
Goin' down, I'm on a flight to nowhere.
Goin' down, goin' down, goin' down. So just stop, let me off.
Seems that I can't get my point across to you.
I know you're listening,
But I'm just not getting through, yeah, yeah. Now there's one more thing I would like to say:
This is everybody's world and everybody's
Gonna live it their own way,
No matter what we say, yeah!
Now the headlines read all across the land
'Bout the motherfuckers gettin' way outta hand.
Troubled minds are full of hate,
Willin' to destroy the human race. Goin' down, I'm on a flight to nowhere.
Goin' down, gettin' nowhere fast.
I'm goin' down, I'm on a flight to nowhere.
Goin' down, gettin' nowhere fast. Goin' down, on a flight to nowhere.
Goin' down, goin' down, goin' down.
Goin' down, I'm on a flight to nowhere.
Goin' down, goin' down, goin' down.
