

Ready or Not

A1

Could you love a boy like me tonight?
Come on baby, won't you take a bite?
Could you love a boy like me tonight?
Oh, yeah! There's magic within you
There's magic in everything you do
Magic me to the place where dreams come true
Sometimes I go crazy
I get off on the crazy things we do
I'm jealous of every guy that looks at you So tell me, could you love a boy like me, like me?
Tell me could you love a boy like me?
Because I need you, you're my heart and soul
I'm gonna let you know, ain't gonna let you go Ready or not, here I come
You can't hide from me, hide and seek
Run away now, or stay now
'Cause I'll keep searching, I'll keep searching for love Could you love a boy like me tonight?
Come on baby, won't you take a bite? The game that you're playing
Why do you tease me like you do?
You gotta let me down or see it through
You're straight from a movie
But baby, I'm not from Hollywood
By stealing your heart, I'll be your Robin Hood Tell me, could you love a boy like me, like me?
Tell me could you love a boy like me?
Because I need you, you're my heart and soul
And I'm gonna let you know, ain't gonna let you go Ready or not, here I come
You can't hide from me, hide and seek
Run away now, or stay now
'Cause I'll keep searching, I'll keep searching, baby Ready or not, here I come
You can't hide from me, hide and seek
Run away now, or stay now
'Cause I'll keep searching, I'll keep searching for love, baby You can't hide the love inside, love baby
You can't hide the love inside Could you love a boy like me, like me?
Tell me could you love a boy like me?
Because I need you, you're my heart and soul
And I'm gonna let you know, I'll never let you go! Oh, no! Ready or not, here I come
You can't hide from me, hide and seek
Run away now, or stay now
'Cause I'll keep searching, I'll keep searching baby Ready or not, here I come
You can't hide from me, hide and seek
Run away now, or stay now

'Cause I'll keep searching, I'll keep searching for love
Could you love a boy like me tonight?
Come on baby, won't you take a bite?
Could you love a boy like me tonight?
Oh, yeah
