

# Still I Can't Be Still

[Idina Menzel](#)

Well I don't believe in god  
But she talks to me all the time  
And I banish my mother  
But she holds me when I cry  
And I have been unfaithful but  
With me he'll spend the rest of his life  
Yes I have been forgiven  
By all whom I've betrayed and loved  
And I have everything I want  
Is it ever enough?[Chorus]  
Still I can't be still  
Still I can't be silent  
Still I can't be still  
Still I can't be saved  
Still I can't be still  
I can't be silent  
Still I, still Well I don't believe I'm beautiful but  
At least I've got my sister's smile  
And I resist the muses yet  
They sing to me in exile  
And destiny is not deafening  
But it hushed me like a child  
And every time I feel as though  
I'm closer to the eye  
The storm winds blow  
I run inside, and though I feel revived-[Chorus]
