

# Skankin' Sweet

## Chronixx

Skankin', groovin', hallelujah  
Skankin', groovin', help me Jah Jah  
Skankin', groovin', under pressure  
Skankin', groovin' Under the pressures of life and it tough  
Nuh stay down mama, time fi get up  
Nuh bother with the downful style, strictly upful vibes and pick it up  
When the bills dem, the rent and the mortgage due (weh' mi chalice)  
When your best friends are gone and its only you  
Light up a spliff turn up the music  
Skankin' sweet  
Everybody wanna feel irie  
Forget your troubles and rock with me  
You nuh feel how reggae music sweet, yeah-e-yeah  
Skankin' sweet  
Everybody wanna feel irie  
Forget your troubles and rock with me  
You nuh feel how reggae music sweet, yeah-e-yeah  
Skankin' sweet For every pain there's a melody, yeah  
For every trouble there's a harmony  
That brings everything together  
So make we sing together  
And who say life nuh hard  
And every man got their struggle  
I begging you help me lord  
Let me overcome my trouble  
Skankin' sweet  
Everybody wanna feel irie  
Forget your troubles and rock with me  
You nuh feel how reggae music sweet, yeah-e-yeah  
Skankin' sweet  
Everybody wanna feel irie  
Forget your troubles and rock with me  
You nuh feel how reggae music sweet, yeah-e-yeah  
Skankin' sweet We skankin' til ah morning come  
Until the day when my troubles are gone  
Hallelujah  
We're groovin' inna Jah Jah name  
We're groovin' all my troubles away Skankin' sweet  
Everybody wanna feel irie

Forget your troubles and rock with me  
You nuh feel how reggae music sweet, yeah-e-yeah  
Skankin' sweet  
Everybody wanna feel irie  
Forget your troubles and rock with me  
You nuh feel how reggae music sweet, yeah-e-yeah  
Skankin' sweet  
Everybody wanna feel irie  
Forget your troubles and rock with me  
You nuh feel how reggae music sweet, yeah-e-yeah  
Skankin' sweet I'm gonna be skankin  
I wanna be skankin'  
I'm gonna be skankin  
I'm gonna be skankin
