

Live This Life (Ft. The-Dream)

Big Sean

Oh shit I'm finally famous
And I'm rolling with the motherfuckin' top down
How can you blame us?
I wanna break you off like right now I do it, hey,
All time millionaire
I wanna break you off like right now
I wanna break you off like right now Hell yeah nigga high right now (right now)
That's the reason I said "hi" right now (right now)
Come have the time of your life right now
All you gotta do is close your eyes right now
This shit classic, they ask "where your outfit from?"
Please, The Saks Fifth, first class
Only culture games and practice
Oh you athletic? Shit, show me on the mattress
Cause it's already night time (night time)
And I feel like the right time
(And I feel like the right time)
Twisting up my fingers
Like the young P-A-C, B-I-G but she just call me D-A-D
I do it Oh shit I'm finally famous
And I'm rolling with the motherfuckin' top down
How can you blame us?
I wanna break you off like right now And I'ma need that penthouse on top of the world
That Detroit player on top of the world
Detroit players on top of your girl
It's been a hell of a night
What a beautiful life Let's show 'em how to live this life
Show 'em how to live this life
Fancy things
Flashing lights, it's been a hell of a night
What a beautiful life Hell yeah, nigga gone right now
That's why we should get gone right now
I'm trying to get you home right now
I bet I could turn you on right now
Really I can't call it
Stress turned me to a weed-head
And parties into an alcoholic
And money turned me into a workaholic
And money turned her into a twerkaholic

[illegible]

Let's show 'em how to live this life
Show 'em how to live this life
Let's show 'em how to live this life
Show 'em how to live this life
Let's show 'em how to live this life
Show 'em how to live this life
Let's show 'em how to live this life
Show 'em how to live this life
Let's show 'em how to live this life
Show 'em how to live this life
