

You Will Be Remembered

Alter Bridge

[Verse 1]

I wrote these words to tell you
All the things I should've said so long ago, so long ago
Know that I am grateful
I will not forget or let your memory go, no I won't
I waited way too long
Way too long I know this life's a mystery
We lose the things we never can replace, no
So many things we keep inside
Are never said until it's much too late
So I'm giving you this song

[Chorus]

For the ones who sacrifice it all
(Oh, we will sing)
Who took a stand so we would never fall
(Oh, we will sing)
You will always be a hero
(Oh, we will sing)
So you will be remembered (Oh)
You will be remembered (Oh)[Verse 2]

I know you've suffered way too much
I know you gave your all for us to be, oh I see
I know how much you've sacrificed
And all of this you did so selflessly, oh
So I'm giving you this song
I'm giving you this song[Chorus]

For the ones who sacrifice it all
(Oh, we will sing)
Who took a stand so we would never fall
(Oh, we will sing)
You will always be a hero
(Oh, we will sing)[Bridge]

You'll be remembered, you're still alive
Your memory will survive
And in the end, all your sacrifice
It made a difference this time, oh(Oh) So I'm giving you this song
(Oh) And I'm giving you this song[Chorus]
For the ones who sacrifice it all
(Oh, we will sing)

Who took a stand so we would never fall
(Oh, we will sing)
You will always be a hero
(Oh, we will sing)
(So you will be remembered) Oh
(So you will be remembered) Oh
Oh, ohDid You Know?
