

# Stonehenge Decoded

## Hawkwind

Stonehenge decoded, I was there  
Sacrificed to this land so fair  
Across the windy downland hill  
There emanates a force of will  
Perimeter of barbed wire stands  
Encircled by the patrolling man  
Stonehenge decoded, I was there  
Sacrificed to this land so fair  
?  
Offering blood?  
Stonehenge decoded, I was there  
Sacrificed to this land so fair  
Sacrificed to this land so fair
