Let Me In

Redhead Express

Your just standing there like a flower on the wall
Like your trying to play it cool
But your silence is cruel
And I can't take the pain
Of not knowing what to do
Baby all i need is a little truth

Let me in or let me go
Just don't leave me hanging on
If you don't know just what you want
If you thibk I'll wait forever
While you pull yourself together
Well i wont
Don't lead me on, let me in, or let me go

Is it the wreckage of a still burning flame
Or is it someone new that's gotta hold on you
What are you trying to hide
Or what are you afraid that I'll think
Cause there's nothing here but love for you from me

Let me in or let me go
Just don't leave me hanging on
If you don't know just what you want
If you thibk I'll wait forever
While you pull yourself together
Well i wont
Don't lead me on, let me in, or let me go

I could turn and walk away
Or you could love me enough to stay

Let me in or let me go
Just don't leave me hanging on
If you don't know just what you want
If you thibk I'll wait forever
While you pull yourself together
Well i wont
Don't lead me on, let me in, or let me go

Let me in or let me go
