

# She's All Mine

Cody Jinks

Doors open when she smiles, She Moves Mountains with her might,

Sheâ€™s all mine, sheâ€™s all mine

Sheâ€™s that Fort Worth Texas Girl; sheâ€™s every girl in the world,

Sheâ€™s all mine, sheâ€™s all mine

Devil tells me lies most every night; I donâ€™t wander through the darkness

Cause sheâ€™s my light, sheâ€™s an angel with no disguise

Lord knows Iâ€™ve made her cry, But sheâ€™s still mine

Sheâ€™s all mine

If it can be done son she can, she makes me a better man

Sheâ€™s all mine, sheâ€™s all mine

Devil tells me lies most every night, but I donâ€™t wander through the darkness

Cause sheâ€™s my light, she might tell you itâ€™s not that hard thatâ€™s her lie

If thereâ€™s one thing to hold against her, it is I

Devil tells me lies most every night; I donâ€™t wander through the darkness

Cause sheâ€™s my light, She might tell you itâ€™s not that hard thatâ€™s her lie,

If thereâ€™s one thing to hold against her, it is I

Doors open when she smiles, She Moves Mountains with her might
