

Do It To the Music

Raw Silk

Oooooooo do it to the music.
Oooooooo do it to the music.

Loved by the critisising
Music's hypnotising
Everybody's â€ˆâ€ˆ.
So get down
Till the music makes you move

When you're movin'
When you're grooving
When you got your body
Do it
All that's shaking
You're not baking
So move your body right on cue
Oooooo do it to the music

Do your thing baby
Do your thing for me yeah,
Why don't you do it
For me-e-e-e-e
Do it, do it, do it,
Do it to the music
Do it
Till the music you move
Do it, do it, do it,
Do it to the music
Do it
To the music that you want

Music takes you higher
Than you may desire
Especially when your souls on fire
So get down
Till the music makes you move
When you're movin'
When you're grooving
When you really got your body
Do it

All that's shaking
You're not baking
So move your body right on cue
Ooooo do it to the music

Do your thing baby
Do you're thing for me yeah,
Why don't you do it
Do it for me-e-e-e-e
Do it, do it, do it,
Do it to the music
Do it
Till the music makes you move
Do it, do it, do it
Do it to the music
Do it
Till the music makes you move

Do it to the music
Till the music makes you move

Do it to the music
Till the music makes you move

Do it
Do it

Get movin'
