

# Who Pays The Price

## Inxs

Yes, it's dark sometimes  
When people are shovin'  
Pushin' you into the ground  
And you cry in the daylight  
With the sun in your eyes  
Even though you know you're not alone  
And it's all been felt before  
You stare through your window  
And wonder if there's gonna be more  
It brings you down  
It's like a war  
Who pays the price  
And if you want more  
Hey, hey  
It's the quiet desperation of a million lives  
Gonna make you change your way  
We got everything we wanted  
But forgot how we got it  
Just can't paint it golden anyway  
And the strength of all you're givin'  
Is gonna make the changes  
If tommorow's gonna bring a new day  
Yea  
It brings you down  
It's like a war  
Who pays the price  
And if you want more  
Hey, hey  
Hey, as the years go by  
Will show on your face  
Or stay hidden behind some door  
Yea, you made your resolutions  
With the will of a priest  
But you're not so sure anymore  
And the reasons why you're livin'  
Keep changin'  
Everytime you find a key, you find more  
It brings you down  
It's like a war

Who pays the price  
And if you want more  
It brings you down, down  
It's like a war  
Who pays the price  
If you want more  
It brings you down  
It's like a war  
Who pays the price  
Hey  
If you want more  
What you want more for?  
Hey, hey  
Hey, hey  
Hey, hey  
Hey, hey
