

# All Right Now

## The Cory Heydon Band

Whoa-oh-oh-woah-ahh  
There she stood in the street  
Smilin' from her head to her feet;  
I said, "Hey, what is this?  
Now baby, maybe,  
Maybe she's in need of a kiss."  
I said, "Hey, what's your name?  
Maybe we can see things the same."  
"Now don't you wait, or hesitate  
Let's move before they raise the parking rate."  
Ohh  
All right now, baby, it's a-all right now.  
All right now, baby, it's a-all right now.  
(Let me tell you now)  
I took her home to my place,  
Watchin' every move on her face;  
She said, "Look, what's your game, baby?  
Are you tryna' put me to shame?"  
I said "Slow, don't go so fast, don't you think that love can last?"  
She said, "Love, Lord above,  
Now you're tryna' trick me in love."  
All right now, baby, it's a-all right now.  
All right now, baby, it's a-all right now.  
Whoo, oh yeah  
All right now, baby, it's a-all right now, yeah  
All right now, baby, it's a-all right now  
All right now, baby, it's a-a-all right now  
All right n-now, baby baby baby it's all right  
All right now, it's all right, it's all right, it's all right  
All right now, baby, it's a-all right now  
Yeah, we're so happy together  
It's all right, it's all right it's all right  
Everything's all right
