

Indifferent

Mushroomhead

Distraught In Deprived Thought Within A Golden Rave I Make All Of My Punches Couldn't Fight My Way
Out Of A Cardboard Box And I Detest Vain In A Shade Of Gray Telegraphing It A Point Of Being Pointless
Brainwash It All Away Distressed I Fantasize, I Apologize Crawling Under A Rock I Hold Up And In My Own
Small Way I Make An Indifferent, Difference I Realize, Rationale, Religion I Hold My Head Down In Disgust
Distressed I Should Of Been I'm Just A Has Been I Hold A White Flag Responsibility, A White Flag I Could
Of Been, And I Detest Distraught In Deprived Thought
