Molly

Sponge

Seen you naked in the bath
Cigarette stains on your hands
Wilted flowers in a vase
I ask how are you
Yeah how are you?
I see the lipstick on your glass
I think you're drunk, I start to laugh
I find your note, the letters ran
It said I love you
Yeah I love you
Don't ask why, don't ask why
Don't ask why, don't ask why
Don't ask why, don't ask why, don't ask why
Sixteen candles down the drain
I watch you passed out forever
I touch your face, you start to smile
And on your note is my reply
I wish I loved you
I wish I loved you
Don't ask why, don't ask why
Don't ask why, don't ask why
Don't ask why, don't ask why, don't ask why
Sixteen candles down the drain
(The drain)
Sixteen candles down the drain
(The drain)
Sixteen candles down the drain
(The drain)
Sixteen candles down the drain
(The drain)
Don't ask why, don't ask why, don't ask why, don't ask why
Don't ask why, don't ask why, don't ask why
Sixteen candles down the drain
(The drain)
Sixteen candles down the drain
(The drain)
Sixteen candles down the drain
(The drain)
Sixteen candles down the drain

(The drain)
