

# Caught in Between

[Micah P. Hinson](#)

Caught between  
Somewhere this and that  
Convincing myself that I can get over it  
Convincing myself to pick up the phone that I'm never leaving home  
Caught between  
Somewhere this and that  
Convincing myself that I can get over it  
Convincing myself to pick up the phone that I'm never leaving home  
Who when why and what man  
My heart or my luck my time is giving into  
Convincing myself that I don't know you  
Or anything, anything at all  
I don't know you or anything, anything at all  
I don't know you or anything, anything at all  
I don't know you or anything, you or anything  
Caught between somewhere this and that  
Convincing myself that I can get over it  
Convincing myself to pick up the phone  
That I'm never leaving home
