Speeding Motorcycle

Yo La Tengo

Speeding motorcycle
wont you change me
in a world of funny changes
speeding motorcycle
wont you change mespeeding motorcycle
of my heart
speeding motorcycle
always changing me
speeding motorcycle
dont you drive wrecklessly
speeding motorcycle
of my heartmany girls have taken you out for a ride, hurt you deep inside but you never slowed downspeeding motorcycle
of my heart
speeding motorcycle
lets be smart
because we dont want a wreck
we can do alot of tricks
we dont have to break our necks
to get our kicks
speeding motorcycle
the road is ours
speeding motorcycle
lets speed some morebecause we dont need reason and we dont need logic because we got feelin' and were damn proud of itspeeding motorcycle
theres nothing you can do
speeding motorcycle
i love you
speeding motorcycle
lets just go
speeding motorcycle
lets go, lets go, lets go
