

Step On

Happy Mondays

He's gonna step on you again, he's gonna step on you
He's gonna step on you again, he's gonna step on you
You're twistin' my melon man, you know you talk so hip man
You're twistin' my melon man Hey rainmaker, come away from that man
You know he's gonna take away your promised land
Hey good lady he just wants what you got you know
He'll never stop until he's taken the lot
(hey hey he hey hey) Gonna stamp out your fire, he can change your desire
Don't you know he can make you forget you're a man
Gonna stamp out your fire, he can change your desire
Don't you know he can make you forget you're the man
You're a man You're twistin' my melon man, you speak so hip Hey rainmaker he got golden plans I tell you
You'll make a stranger in your own land
Hey good lady he's got God on his side he got a double
Tongue you never think he would lie (oh he lied, oooh he's twistin' my melon man
(oh he lied, oooh he's twistin' my melon man) Gonna stamp out your fire, he can change your desire
Don't you know he can make you forget you're a man
Gonna stamp out your fire, he can change your desire
Don't you know he can make you forget you're the man
You're the man He's gonna step on you again, he's gonna step on you
He's gonna step on you again, he's gonna step on you Hey rainmaker, come away from that man
You know he's gonna take away your promised land
Hey good lady he's got God on his side he got a double
Tongue you never think he would lie Gonna stamp out your fire, he can change your desire
Don't you know he can make you forget you're a man
Gonna stamp out your fire, he can change your desire
Don't you know he can make you forget you're the man
You're the man You're twistin' my melon man, you know you talk so hip man
You're twistin' my melon man
(hey hey he hey hey) He's gonna step on you again, he's gonna step on you again
He's gonna step on you again, he's gonna step on you again
