Blood getting draw skin gonna bruise

Real gone win, fake gone lose love over power

They hatin' by twos

All they left is they yellow tape in they shoes

Its real in the funeral waiting to make news

Load the tre pound so we six up on 'em

We just switch up on 'em[Chorus]Whose phony whose fake?

Silver hummer on eights

Lifes good I'm straight claps your hands

One time and relate

Cant keep it 100

Cause 1's I hate but I'ma keep it 200

Cause ones they fake red and black cars red chrome skates

Young juice lane on my blades[Chorus]Yea yo pocket full of cash

Wallet full of plastic

In and outa lane dipping through the traffic

We ain't hustling no more

We doing gymnastics

Couple of flips then stash it bastard

Real going recognize

Real going recognize real

Phony going recognize steel

I recon I will

Expose those who are

If you ain't you all

I don't go to far

Sorry muah

Get your self a fresh flesh wound

Or a new scar

Bullet holes on the side of your new car

Load up the AR spray all

OK y'all heads real on this side phony where ever they are[Chorus]Woo! Hey![Chorus]
