

Doesn't Everybody Want to Fall in Love

Kristinia DeBarge

I think that I love him more than life itself
I know that I'll never find nothing close to him
Never going to stop
I'll love him till I drop
Ain't never going to let him go
He drives me so crazy
I so love my baby
The way he be making me feel I know you think I'm dead wrong
Some of the shit that be going on
But are you going to stop my heart
From falling in love Doesn't everybody wanna fall in love?
Doesn't everybody wanna need someone?
Remember when you told me
That you didn't have no one
You would've given anything to have someone
So don't hate on my 'cause He's so good to me
He's so sweet to me
I know that you don't think I know I'm in love
But doesn't everyone wanna fall in love
Fall in love You think the way I'm to young
Well give me a break
I know when you fell in love you was seventeen
I bet you didn't stop
When it was getting hard
And I know you didn't let him go
So how is this different?
And why should I listen to you
Don't know what's in my heart I know you think I'm dead wrong
Some of the shit that be going on
But how are you going to stop my heart
From falling in love Doesn't everybody wanna fall in love?
Doesn't everybody wanna need someone?
Remember when you told me
That you didn't have no one
You would've given anything to have someone
So don't hate on my 'cause He's so good to me
He's so sweet to me
I know that you don't think I know I'm in love
But doesn't everyone wanna fall in love Doesn't everybody wanna fall in love?

Doesn't everybody wanna need someone?
Remember when you told me
That you didn't have no one
You would've given anything to have someone
So don't hate on my 'cause He's so good to me
He's so sweet to me
I know that you don't think I know I'm in love
But doesn't everyone wanna fall in love I been looking at him
He been looking at me
It don't really matter
What they think about us
No, no, no, no, no, no
And we can hold it down forever
Long as you and I are together
You don't know what's in my heart I know you think I'm dead wrong
Some of the shit that be going on
And how are you going to stop my heart
From falling in love Doesn't everybody wanna fall in love?
Doesn't everybody wanna need someone?
Remember when you told me
That you didn't have no one
You would've given anything to have someone
So don't hate on my 'cause He's so good to me
He's so sweet to me
I know that you don't think I know I'm in love
But doesn't everyone wanna fall in love But doesn't everybody wanna fall in love?
Doesn't everybody wanna need someone?
Remember when you told me
That you didn't have no one
You would've given anything to have someone
So don't hate on my 'cause He's so good to me
He's so sweet to me
I know that you don't think I know I'm in love
But doesn't everyone wanna fall in love
Fall in love
Fall in love
Fall in love
