

I Am Yours

Tim Neufeld & The Glory Boys

You found me when I was your foe,
you chased me down that road.
You took me in just as I was,
and loved me as your own.

I could run a thousand miles,
but I'd never get away.
I know your love would follow me,
Far beyond the grave.

I am yours.
I belong to you.
If only one things true,
I belong to you.
I am yours.
I belong to you.
If only one things true,
I belong to you.

In this age of worry whether,
fear commands the day.
Sometimes if I'm honest,
I feel helpless and afraid.
But as I lie awake in bed,
I'm sure of what's to come.
I remember these two things,
I'm chosen and I'm loved.

I am yours.
I belong to you.
If only one things true,
I belong to you.
I am yours.
I belong to you.
If only one things true,
I belong to you.

When I walk into the valley of the shadow,
I will feel no wrong.
You lead me down beside the still and quiet waters,

In the peace and calm.
Your love has always been for me,
This heart is spoken for.
I am yours.

You found me when I was your foe,
you chased me down that road.
You took me in just as I was,
and loved me as your own.

I am yours.
I belong to you.
If only one things true,
I belong to you.
I am yours.
I belong to you.
If only one things true,
I belong to you.
If only one things true,
I belong to you.
