

# Black And White

## Subhumans

Silence - is no reaction  
"Violence" - that one-word caption  
Can you say it with just one word?  
Unspoken - the sins that go unheard[Chorus:]  
Government... bullshit  
Black and white... fightLook though this broken window  
From normality into the ghetto  
Broken through madness, hate, and boredom  
U.K. - a disunited kingdom[Chorus]
