

# Delight

## Marshvll

Wanna feel u  
Wanna touch u  
Wanna have u  
Would u be my light?  
In this night  
The same bright  
I feel right  
So right  
Love u  
Wanna hold u  
Wanna kiss u  
Would u be my light?  
In this night  
The same bright  
I feel right  
So right  
I really wanna feel the way I?am on tonight  
I want u by my side to kiss and hold u tight  
I wanna stay forever here I really do  
It?s gonna be a crazy night for me and u  
Na na na na na(x3)  
Wanna feel u  
Wanna hold u  
Wanna kiss u  
Wanna save u  
Wanna love u  
Wanna touch u  
Wanna still u  
That?s mine  
Feel u  
Wanna hold u  
Wanna love u  
We can dream under moonlight  
Watching u is a delight  
Ooo  
I really wanna feel the way I?am on tonight  
I want u by my side to kiss and hold u tight  
I wanna stay forever here I really do

It's gonna be a crazy night for me and u

Na na na na na(x3)

Can stop the time?

This moment is so so [blind]?

Is that a sign?

I have to make u mine

Let's stop the time

Ur touch is so so blind

I have to make u mine(x2)

I really wanna feel the way I am on tonight

I want u by my side to kiss and hold u tight

I wanna stay forever here I really do

It's gonna be a crazy n
