Yout' Juice

Bad Brains

All the time she's looking fine
Admiration ain't no crime
Jah created her great use
blessed with life yout' juicePonce de Leon never found the fountain of youth
blessed in Zion, yout' juice
Ponce de Leon never found the fountain of youth
blessed in Zion, yout' juiceSome may say baby go away
Batty Bwoi you're doomed today
Don't overreact like others do
turn your back on someone true
Free hold on tight
It's a very short life
Call it what you may
Don't complain
All in all it's been a life boost
Blenders from Zion
Talking about yout' juicePonce de Leon never found the fountain of youth
blessed in Zion, yout' juice
Ponce de Leon never found the fountain of youth
blessed in Zion, yout' juiceso all the time she's looking fine
Admiration ain't no crime
Jah created her great use
blessed with life yout' juicePonce de Leon never found the fountain of youth
blessed in Zion, yout' juice..True
Ponce de Leon never found the fountain of youth
blessed in Zion, yout' juice
