

Love Like I Mean It

Newsboys

I have good intentions
Don't always turn them
Into action I speak love, it's easy enough
But words are not what
Love is made of I wanna do more than that
Yeah, i gotta do more than that I want you to see it
And believe it Oh, oh, oh
Oh, oh, oh
I wanna love like i mean it
Love like i mean it I know what mercy feels like
I've see my own life
Pulled from the ashes So i'm not gonna wait
Until it's too late, too late
I wanna show the world
What i've been given Oh, oh, oh
Oh, oh, oh
I wanna love like i mean it
Love like i mean it I can speak with the voice of angels
I can tell you that i got your back
But i wanna do more than that
Yeah, i gotta do more than that Oh, oh, oh
Oh, oh, oh
I wanna love like i mean it
Love like i mean it
