Your Forgiveness

Rosi Golan

It's time for forgiveness
It's time to repent
Time for a sentence
To live without revenge
We'll never be together
It's time to face the truth

You tell, me we could make it last forever (forever)
Destiny, couldn't seal our faiths together (together)
There's a time for anger
Cause I still bleed from your last kiss
The war is over
And all I need from you is this
Your forgiveness

You were my religion
I gave you my soul
But it was the light
You were my obsession
I gave you all control
I didn't know your heart was cold and made of stone

You tell me, we could make it last forever (forever)
Destiny, couldn't seal our faiths together (together)
There's a time for anger
Cause I still bleed from your last kiss
The war is over
And all I need from you is this
To haunt your sleep, for you to dare
Your forgiveness

There's a time for anger
Cause I still bleed from your last kiss
The war is over
And all I need from you is this
To haunt your sleep, for you to dare
Your forgiveness
Your forgiveness
Your forgiveness
Your forgiveness
