

Why Did I Fall In Love With You

Teena Marie

Some say you're shy but I think differently It's really just that you're unsure of me Some say that I'm a woman of the world But all I want to be is your girl Lovin you has made me feel a million things I've never felt in love before You got the nicest smile and when I hear you speak I go crazy, I'm so weak Why did I have to fall in love with you (repeat) I got a real good lovin for you baby Some say you're just a picture on my wall They think that I don't want your love at all Some say I'm fickle and I'll soon forget But they don't know my match has finally been lit Lovin you has made me feel a million things I've never felt in love before You got the nicest smile and I quiver when you speak I go crazy, you make me so weak Why did I have to fall in love with you (repeat 2 or 3 times) I go crazy, for your lovin' baby Why did I Why did I Have to fall head over heels in love with you Baby it's more than just a feelin yea you got me rockin' and a-reelin Got me dancing on the ceiling
You can't imagine what you do to me I go crazy baby Fallin crazy for your love
