

# Indescribable

Josh Damigo

It's the way your fingers touch my neck,  
it's the moments that I can't forget.  
It's the way you smile when you say my name,  
it's the way I've seen my whole world change.  
It's the smile that won't go away,  
and how every kiss tastes.

CHORUS:

You're more than words, you're more than dreams.  
You're more than hearts were meant to be,  
you're more than I deserve.  
You're more than I expect.  
Every word is true, 'cause it's you.

It's the moment right before we kiss,  
and time seems to not exist.  
It's when I open my eyes and you're still asleep,  
right before I lock the door behind me.  
It's the drag-me-back look you have in your eyes,  
after the sixth time we've said goodbye.

[CHORUS]

Every single day, in every single way  
you've touched my soul.  
In every single day, you're every single thing  
that's indescribable.

[CHORUS]
